SUMMARY

Front-End Developer with 2 years of experience building scalable, responsive web apps using React.js, Next.js. Expanding into Full-Stack development with Node.js, Express.js, and MongoDB. Skilled in creating performant UIs, integrating RESTful APIs, and delivering reliable end-to-end web solutions.

EXPERIENCE

Front-end Developer | Pure Block Pvt. (Remote)

17 September 2023 - 17 March 2025

- Improved and optimized the UI/UX of a React.js-based educational platform, enhancing usability and mobile responsiveness.
- Enhanced the text editor and teacher assessment features, delivering smoother performance and better student feedback flow.
- Collaborated with cross-functional teams to integrate AI-driven feedback and perform efficient CRUD operations for core features.

Freelance developer

17 January 2023 - Current

- Level one seller at Fiverr, specializing in front-end development.
- Developed and delivered web projects for clients with a focus on user-friendly interfaces and responsive design.
- Collaborated with clients to understand their requirements and provided technical expertise to turn their ideas into functional web applications.

PROJECTS

MERN E-commerce Website — Next.js, Express.js, MongoDB, Redux Toolkit

<https://mern-ecommerce-frontend-jg1w.onrender.com>

- Built a full-stack eCommerce application with role-based access, allowing admins to manage products, categories, and orders, while users can browse and purchase items.
- Implemented essential features such as cart, wishlist, checkout, order tracking, and dynamic dashboard with real-time updates using Redux Toolkit.

React Dashboard

<https://mhasan1037.github.io/react-dashboard/>

- Created a multi-page React dashboard showcasing various data presented through interactive graphs.
- Implemented a user-friendly calendar feature allowing users to add and manage events seamlessly.

E-commerce Website — HTML, CSS & JAVASCRIPT

<https://mhasan1037.github.io/E-commerce-2/>

- Developed a fully functional and responsive E-Commerce website front-end.
- Designed a user-friendly shopping cart feature, enabling customers to add products and manage their selections.
- Designed a user-friendly shopping cart feature, enabling customers to add products and manage their selections.
